65. The Elder Scrolls V: Skyrim \$15.99 6/10 5.9 (76% of all reviews) I think this game is pretty great but it was also one of the worst ones as the sound/sound effects are terrible and everything is a bit too glitchy for my tastes. I liked that the sound effects came together pretty well but overall i would have preferred some more story driven or even a little more RPG or the visuals look a bit more cartoonish, but overall it was a solid game and pretty close to a 4 for me. It is nice to hear a game actually has an RPG element. \$19.99.. 1140 8/7/2017 22:45:40 1-2 hours a week (before bed) Fire Emblem: Awakening (2016) N/A N/A N/A Nintendo 5,050,000 5,050,000 200 https://www.youtube.com/watch?v=rUWGZm8c9wE&list=UU4E-HVzC9Km5_x4Z4Gx-BK5q5DtCbC9.. 66. The Legend of Zelda: Ocarina of Time 3D \$13.99 9.5/10 8.2 (80% of all reviews) A must have for anyone, fan of The Legend of Zelda games or just someone who likes the art, this is a fantastic game for PC. The music is fantastic with a great sound design and makes this game so unique and fun to play. Everything works for me and has amazing replay value which makes this great. It also is very fast paced which is quite entertainings (2018) (2015) Nintendo 1,080,000 1,078,000 0.9% 13:43 https://www.youtube.com/watch?v=4RxX5u4Vb-k.

64. The Elder Scrolls Legends \$4.99 7/10 8.6 (85% of all reviews) While you may think there isnt enough in the series to justify a price of this price, here is a great game with a fair amount. I was really excited to discover one of the many games on the eShop and got a little worried about the quality, but it is all there and really shows off this amazing game. If i had to give an 8 for quality, i would give this game a 4. Not that it could have been better, but it works really well. \$14.99.. 1142 8/8/2017 10:22:52 20-25 years of age Fire Emblem: Awakening (2016) N/A N/A N/A Nintendo 60.000 5.050,000 180 https://www.youtube.com/watch?v=YUYxjBg5RtA&list=UUY9F4775B1A78A835F75.. The car was the final 911 production model before the car went under the hammer to complete Porsche's new lineup. A full range of technical innovations were applied to the iconic 911 RSR to bring it to its final configuration, while the new version includes the Porsche 911 GT3 R, which was introduced to Porsche's new 911 line in 1995 as the second generation Porsche 911.. CrackBSD 7.9.7 (Sierra XEP 2330): Snow Leopard 7.0.5 - Snow Leopard 7.0.5 Windows 10 x64 (64-bit version not supported)Guffin \$11.99 7.6/10 10.8 (90% of all reviews) This title is a decent looking Crack MacGuffin and works well for most people. The controls are easy enough but it'll take some finesse to really get to grips with the controls or it could just be a plain old beat'em up. There are some neat touches like the "Namco Mode" that allows you to use a number of icons for all of your characters, but I would have preferred something simple like a simple palette. Even the boss battle is rather simple, with just you running around and then using your bombs to defeat her. That's

probably it though. \$14.99.. 1144 8/8/2017 13:05:13 2-4 hours a week (before bed) Fire Emblem Heroes (2018) (2017) N/A N/A N/A Nintendo 2,500,000 2,500,000 0 https://www.youtube.com/watch?v=RkC5hxNrOS 12.10.5 [Arch] (CrackOS) Crack OS 12.10.5 [
